J519
Vehicle electrical system control unit
J533
Gateway - Data Bus On Board Diagnostic Interface
J104
ABS with electronic stability control
J255
Climatronic
J285
Control unit with display in instrument panel insert
J386
Control unit for front passenger seat
J387
Control unit for driver seat
J393
Central control module for comfort system
J400
Steering wheel electronics
J428
Control unit for adaptive cruise control
J490
Control unit for rear window heater
J500
Steering assist control unit
J519
Vehicle electrical system control unit
J533
Gateway - Data Bus On Board Diagnostic Interface
J623
Engine control module
up to 2014_06
from 2014_07
J764
Electric mechanical steering
J794
Control unit for parking aid
J840
Control unit for adaptive chassis control
J841
Control unit for adaptive chassis control
J842
Control unit for adaptive chassis control
J845
Control unit for adaptive chassis control
J846
Control unit for adaptive chassis control
J847
Control unit for adaptive chassis control
J848
Control unit for adaptive chassis control
J849
Control unit for adaptive chassis control
J850
Control unit for adaptive chassis control
J1010
Control unit for electro-mechanical parking brake
J1026
Control unit for electro-mechanical parking brake
J1047
Control unit for electro-mechanical parking brake
J1048
Control unit for electro-mechanical parking brake
J1049
Control unit for electro-mechanical parking brake
J1050
Control unit for electro-mechanical parking brake
J1051
Control unit for electro-mechanical parking brake
